Congress details

Main Theme:
- The proposed theme is “OER for Inclusive and Equitable Quality Education: From Commitment to Action”

Main Structure:
- UNESCO and COL to send OER two Questionnaires: one for Governments, and one for stakeholders
- COL to plan and organize 6 Regional consultations
- COL to create Synthesis Report to other partners
- Results will feed into the 2nd World OER Congress
- UNESCO Chair in OER, K4A to plan and organize 6+ Satellite events
Congress details (II)

Obstacles to achieving the mainstreaming of OER

- Commercial interests
- Language and cultural barriers
- Ensuring inclusive and equitable access to quality content
- Capacity of users to access, re-use, and share OER
- Development of appropriate policy solutions
- Need for clarity on the term ‘open’

Result:

- Congress and Regional consultations must result in a commitment to adopt OER policy and to identify concrete actions that would be implemented within a specific time framework
Objectives

- Review the progress of OER since the World OER Congress 2012
- Examine solutions to meeting the challenges of mainstreaming OER practices into education systems worldwide
- Showcase the world’s best practices in OER policies and initiatives as well OER experts
- Provide recommendations and identify strategies for the mainstreaming of OER, with links to best practices
- Adoption of Action Plan for OER

A Toast

The vintage, friends, is over,
And here sweet wine makes, once again,
Sad eyes and hearts recover
Puts fire into every vein...
